Sturgeon Foundation

Councillor Ouellette reported that Sturgeon Foundation is looking at a considerable increase in the amount of their tax rate. The foundation is finding that they are always running a deficit and the Legal facility is in dire need of upgrades to attract incoming residents. A 60% increase was proposed to the board and would like comments from Council. CAO, Corey Brown suggested that they raise the tax in increments so that they can investigate how the extra funds will impact their deficit. Council agreed with the suggestion. Councillor Ouellette will take this information back to the Sturgeon Foundation board.
